- Work independently
- Physically capable of performing construction tasks
- Possess organizational, mathematical & motivational skills
- Ability to read and understand construction drawings
- Material takeoffs and ordering
- Ability to survey and determine elevations with a laser or transit in the field
- Direct all tasks necessary to complete landscape and water feature construction
- Effective communication with clients, contractors and architects
- Operation of power tools and heavy equipment
- Minimum 4 years' experience performing these duties
- Travel required
- Maintain and ensure a safe job site always
- CLT, CDL, first-aid card preferred
- Valid driver license with a clean driving record

Crew Lead:

- Minimum 2 years' experience in landscape construction
- Assist foreman in all tasks necessary to complete landscape and water feature work
- Possess organizational & mathematical skills
- Operation of power tools and heavy equipment
- Travel required
- Valid driver license with a clean driving record

Crew Member:

- Experience in landscape construction preferred
- Must be 18 years' old
- Must be able to travel
- Capable of lifting 50 lbs. and performing vigorous physical labor
- Valid driver license with clean driving record
